

ERC 2018-2019 WINTER PADDLE ASSOCIATE MEMBER PROGRAM

Easton Racquet Club is excited to announce a Winter Paddle Associate Member Program for the 2018-2019 season.

Our robust paddle program, led by Director of Paddle, Brian Quinn, offers two state-of-the-art lighted courts available for play and lessons and clinics. We have interclub teams for men and women, competing in the Fairfield County Platform Tennis League, a weekly men's in-house league, and interclub practices. Social mixers and tournaments are held throughout the paddle season.

Platform tennis at ERC is a terrific way to spend cold, winter days outdoors in a friendly and welcoming environment!
