In order to make this the best camp experience for everyone, we keep our group small. This ensures each camper gets plenty of attention, our groups have time to become friends and our amazing staff can provide the best possible care, coaching and proper supervision.

ERC KIDS TENNIS CAMP

The Perfect Place For Kids To Learn Tennis And Enjoy Summer

Welcome to the Easton Racquet Club – one of the best kept secrets in Fairfield County. During the summer, we offer what many people call **the best summer kids camp in the area**. The camp is offered to both member and non-member families who want to provide their children with excellent tennis instruction, an outstanding swimming facility and an exceptional camp experience.

Our camp is operated by a friendly, knowledgeable staff all dedicated to providing your children a safe, fun and memorable summer. Daily activities include tennis instruction by certified professionals and advanced level high school and college players, plus fun time for swimming and other sports activities.

The Easton Racquet Club has a few remaining openings for the 2019 Summer Kids Tennis Camp. The ERC Kids Tennis Camp runs for 10 weeks throughout the summer. The weekly cost is \$420. In order to get the most out of the tennis, we recommend campers attend at least 4 or 5 weeks, but we are happy to accommodate alternative schedules.
